

CIRCULAR FOR DONATION DRIVE

DATE: 16.12.22

Dear Parents,

Greetings from Bishop Devadass Ambrose Vidyalaya (CBSE)

‘We rise by lifting others!’

It is said that charity begins at home and it’s further reinforced at school and we would like our children to contribute to society in a meaningful way during their school-life and beyond.

We are here at Bishop School would like to take this opportunity to thank all the parents for always supporting our endeavors so generously. A good deed is always cherished and nourished by everyone and the impressionable little ones follow it as they are always subconsciously observing and imitating every action of ours. So let us set an example for our future generations by joining hands to reach out to the less fortunate ones and make a difference in the society in our own little ways.

Keeping these values in mind, to take these thoughts further and put them into action we would like to adopt one poor village to help each family giving them necessary things like blankets, groceries etc., to meet their basic needs. For this we need generous contribution from the students of all the grade. So kindly encourage your children to be helpful and generous by giving them some amount in a cover to be handed over to the class teachers by 19th December Monday, which will be spent for the poor and needy.

Let us join hands to do good for the needy and deserving members of our community.
