## REVISED SCHOOL TIMINGS

6 July 2020

Dear Parents,

This is to inform you of an important change in the school timings.

Since Annai Vailankanni Arts & Science College (with a strength of over 3000 students) and our school (with over 1500 children) – located opposite each other - start around the same time, it creates a huge traffic situation in the morning. I have received complaints from parents saying that college boys drive at a frightful speed and that walking students do not yield way. The College Management has received similar complaints about school parents as well.

After a careful study of the situation, and keeping in mind the safety of our children, parents and the college students, the Management has decided to revise the School Timing slightly, by anticipating the start of the school by 15 minutes. Instead of at 9.00 am, the School will, henceforth, begin at 8.45 am.

You are advised to follow the new timings strictly.
