UNDERTAKING WITH REGARD TO SCHOOL TRAFFIC RULES

10 July 2020

Dear Parents,

Taking in to account the increase in the number of students at school this year – which means more number of vehicles inside the premise at the time of pick-ups and drop-offs, the Management has added one more access road to the high school block.

A paver-block two-way road, which is still under construction, will be open for use by the time the school reopens, although it can be accessed only by **TWO WHEELERS**.

The Management asks for parents' total compliance with regard to school traffic rules, for it is vital to ensure the safety of the children.

We have drafted an undertaking to be signed by all parents, concerning the school traffic rules. Please find enclosed a PDF copy of the same, which contains both the English and Tamil versions.

Go through them carefully.

Whenever you come to school to pay the fees, you will be given a hard copy of the undertaking, which you will sign and return to the Office.
